## **TestPro Systems Opens New Manufacturing and Sales Offices in Guadalajara, Mexico**

**Huntsville, AL – Monday, April 11, 2005.** TestPro Systems Inc. is pleased to announce the opening of a new manufacturing and sales operation in Guadalajara, Mexico. TestPro Systems is a leading manufacturer of in-circuit and functional test equipment that services the US and Mexico electronics industry.

“We are extremely excited about the opening of the new operation in Mexico,” stated Richard Wagner, president of TestPro Systems, Inc. “This demonstrates TestPro’s commitment to better serve our customers in the Guadalajara area.” Wagner went on to say that “this project is the realization of three years of dedication and hard work by our Mexico sales team, and it makes us happy to see this project come to fruition.”

### **About TestPro Systems**

TestPro Systems is a recognized leader for test engineering services, and serves a broad customer base throughout the United States and Mexico. For more information about TestPro Systems, please visit us on the web at [www.testprosystems.com](http://www.testprosystems.com), or contact:
