TestPro Receives Order for Audio Test Systems

Huntsville, AL – Monday, January 10, 2005. TestPro Systems reported today that the company has received an order for six audio parametric test systems and three environmental test systems from a large manufacturer of automotive entertainment systems.

Citing confidentiality agreements about releasing details of the order, TestPro president Richard Wagner said, "This is a great project and an opportunity to partner with a new world-class organization. We are looking forward to the opportunity to prove ourselves to be a valued supplier."
