## **Raghavan Joins TestPro Systems Technical Staff**

Huntsville, AL -- TestPro Systems Inc. announced today that Venkat Raghavan has joined TestPro's engineering staff. Mr. Raghavan holds a Masters Degree from the University of Texas in Mechanical Engineering with an emphasis on Control Systems, and a Bachelor of Science in Mechatronics from Jawaharlal Nehru Technological University in Hyderabad, India. He is currently working on his Doctoral Degree in Electrical Engineering at the University of Alabama in Huntsville.

"We are very pleased to have Mr. Raghavan join our technical staff," said Richard Wagner, president of TestPro. "Venkat's experience in LabView programming, control systems, and mechanical design will add a lot of capability to our organization.

TestPro Systems is a recognized leader in test engineering services and services customers throughout North America, Mexico and Canada.
